

397 SERIES

Wall profile

For use in
hospitals • airports • shopping centres • rail stations
• offices • schools

Features:

- Attractive finish
- Solid aluminium construction with Nitriflex rubber insert
- Insert colours: black or grey. Alternative RAL coloured inserts are available - minimum order quantity applies.
- Smooth insert option available for laboratories and hospital wards (note: smooth insert reduces movement, contact us for further details).
- Standard 4 metre lengths
- Internal and external corner/angle options
- Suitable for single or double layer plasterboards
- Complements 446 floor profiles, as same insert is utilised for both profiles.
